### **Selection Criteria**

- Full-time students at Further Education and Training (FET) Colleges and Agricultural Colleges are eligible for bursaries.
- 2.3 University of Technology and University students who study full-time, with a pass symbol in all their subjects, and who follow career-oriented programmes that are in demand in the labour market, are eligible. Agriculture, Commerce, Engineering and Education (with Mathematics and Science) are preferred study
- Applicants for tertiary bursaries must please specify as clearly as possible the exact programme of study as well as the type i.e. "University of Technology" or "University", the name of the educational institution where you plan to study as well as the year of study you will be in. Study programme changes, after submitting your application forms, may lead to the cancellation of a bursary.
- No bursaries are available for private tertiary institutions.

### **Bursary Amounts** 3.

Studietrust awards two kinds of bursaries: partial bursaries and full cost bursaries.

- Partial bursaries cover around 50% of the total cost of studying per year. They are mostly sponsored by private sector companies, trusts or foundations. The balance of study-related costs must be covered from alternative means (e.g. a NSFAS loan).
- Full-cost bursaries cover all study-related costs according to a formula prescribed by the donors.
