Department:  
Mineral Resources  
**REPUBLIC OF SOUTH AFRICA**

## APPLICATION FOR A FULL-TIME STUDY BURSARY FOR GIRL LEARNERS IN SOUTH AFRICA

### INSTRUCTIONS: FOR SOUTH AFRICAN GIRL LEARNERS SCHOOLING IN RURAL AREAS.

- i. Please print and complete the form.
- ii. Mark appropriate blocks with an "X".
- iii. Application forms not correctly and fully completed will prejudice the applicant's chances of obtaining a bursary.
- iv. Please attach certified copies of ID document, grade 11 or 12 results indicating subjects and symbols on school letterhead).
- v. Please complete section D as motivation for bursary and attach supporting documents, e.g. sworn affidavit.
- vi. Applicants with less than symbol B (Higher Grade) in Mathematics and Science will not be considered
- vii. **Bursaries are only intended for girl learners from the rural areas as they are faced with limited opportunities, and to enhance transformation of the mining and mineral fields.**
- viii. Please note the bursaries are dependent on the mining and mineral sector requirements.
- ix. **It is your responsibility to apply for admission to any South African university and it is also recommended that you forward your application to at least two universities.**
- x. Bursaries will be allocated for the year following the one in which the application is received.
- xi. Closing date for applications is **30 October 2015**
