Dear Applicant,

Thank you for your interest in the **Oasis Bursary Programme** for the **2017 Academic Year**. Please complete this application form in accordance with the instructions below and submit the completed application form to the Oasis Bursary Committee within the prescribed timelines. Kindly ensure that all supporting documentation is included, so that your application can be taken into consideration by the Oasis Bursary Committee.

Should your application be successful, please note that :

- You will not be entitled to accept any other bursary or financial assistance without the express prior written consent of the Bursar, which consent may be withheld at the sole discretion of the Bursar;
- You will be required to maintain a course average of no less than 70% and you will be required to complete the course of study for which the bursary has been awarded. Failure to comply with this will result in any amounts disbursed to you or for and on your behalf becoming immediately due and payable;
- You will be required to enter into an agreement with the Bursar and its administrator, which agreement will more fully detail the above and the remaining terms and conditions upon which the bursary will be awarded to you.

You are accordingly advised to carefully consider the above prior to submitting your application as the Bursar follows a stringent selection process and should the above not be acceptable to you, this may result in another deserving student's application not being considered and would negatively impact the selection process.
