POSTGRADUATE STUDY/RESEARCH GRANTS

CONDITIONS:

The Kaplan Centre invites applications for grants for research or postgraduate study relating to the Jewish experience, broadly conceived. Applicants must be current or prospective students at the University of Cape Town.

Grants may be used toward fees and tuition at UCT, or for running costs, travel and/or any other expenses related to an approved research project at UCT.

The application form must be accompanied by a CV, academic transcript, an itemised budget, proof of acceptance to the relevant study/research programme at the University of Cape Town, and at least two testimonials from persons familiar with the applicant's work. Testimonials must be sent under confidential cover by the referees directly to the Centre. In addition, applicants for research grants must provide a two-page research proposal, and a brief timeline of the proposed research.

Applicants are strongly encouraged to approach other sources of funding, and to indicate what other funding may be available on their application form.

Grants will not be awarded retroactively. Applications for renewal of an award must be accompanied by one-page progress report from the applicant, as well as a letter of support from the supervisor/s of the activity in question.

Applicants may be interviewed by the Academic Subcommittee of the Management Committee of the Centre.
